

INTERNSHIP PROGRAM

*Grow your
future*

Nick Regional Business Development Manager

“The AgSouth Internship program gave me the opportunity to learn about all aspects of agriculture lending while simultaneously helping me determine what career I wanted to pursue after graduation.”

2009	2010	2011	2013	2017
Internship	Loan Officer Trainee	Loan Officer	Regional Vice President	Regional Lending Manager

Internship Development Program

At AgSouth, interns are a valuable source of the Association’s future talent. To support this, our internship program helps student interns advance in their chosen fields. We provide them with opportunities to learn multiple facets of the Association, while also challenging them to achieve results, expand their knowledge and grow as individuals.

Leadership

Students are exposed to executive leadership and afforded the opportunity to build their network with AgSouth professionals. At the same time, they are pushed to develop their own set of leadership skills that will serve them well into the future.

Fields of Opportunity

We offer exciting internship opportunities in areas such as:

- Accounting
- Credit Analysis
- Insurance
- Human Resources
- Information Technology
- Marketing
- Mortgage Lending
- Agricultural Lending

Thank you for your interest in AgSouth Farm Credit.
